## PROBLEM STATEMENT

IDENTIFY AND ANALYSE UX PROBLEMS WITH PRESENT  
INSTAGRAM MOBILE APPLICATION

IDEATING VARIOUS UI SOLUTION TO TACKLE THE CURRENT  
PROBLEMS  
WITH RELEVANT REASONS AND RESEARCH

# OUR PROCESS

SKETCHING

UI DESIGN

# PROTO - PERSONA

A PROTO-PERSONA IS A DESCRIPTION OF THE TARGET USERS AND AUDIENCE OF A PRODUCT BASED ON THE ASSUMPTIONS OF STAKEHOLDERS. CREATING THIS AD-HOC PERSONA ALLOWS TO BEGIN DESIGNING AND BUILDING IMMEDIATELY.

AARON

AGE 32

PROJECT ENGINEER

“MY COLLEAGUES TELL ME THAT SOCIAL MEDIA IS FUN AND THEY GET TO KNOW AND CONNECT TO A LOT OF USERS. I HAVE NEVER USED SUCH PLATFORM AND I FEEL WILL WHETHER I WOULD BE ABLE TO USE IT.”

NEED AND DESIRE

- 1) CONNECT WITH PEOPLE
- 2) FINDS CONTENT OF HIS INTEREST

FEARS

- 1) MIGHT NOT BE ABLE TO USE IT SMOOTHLY
- 2) MIGHT GET CONFUSED BETWEEN VARIOUS SUGGESTIONS

FIONA CASPER

AGE 25

COLLEGE STUDENT

“INSTAGRAM IS A GREAT PLATFORM FOR SOCIALIZING BUT IT COMES AT A PRICE”

NEED AND DESIRE

- 1) ABLE TO FIND CONTENT OF INTEREST
- 2) CREATE CONTENT EASILY

FEAR

- 1) NOT SPEND MUCH TIME ON PLATFORM
- 2) NOT WANT UNNECESSARY SUGGESTION

# HUERISTIC EVALUATION

## ADDING NEW STORY BUTTON

> NEW STORY BUTTON IS ON TOP AND AND ITS POSITION IS UNCOMFORTABLE BECAUSE FOR OUR THUMBS IT LIES IN HARD TO REACH ZONE AND PEOPLE WOULD HAVE TO STRECTH THEIR FINGERS.

## DELETING PROFILE

> NO PROVISION OF DELETING ACCOUNT FROM MOBILE APP. USER HAS TO LOG IN FORM A COMPUTER TO DELETE ACCOUNT.

## ASK CHOICE OF USER

> INSTAGRAM DOES NOT FILTER CONTENTS ACCORDING TO USER CHOICE. USER HAS TO EXPLORE THROUGH ENTIRE CONTENT TO FIND HIS/HER INTERSEST

# HUERISTIC EVALUATION

## BEGINNER TUTORIAL

> NO BEGINNER TUTORIAL AVAILABLE FOR THE APP. A NEW USER MIGHT FEEL POWERLESS AND MIGHT NOT BE ABLE TO USE THE PLATFORM TO ITS FULLEST

## UNWANTED SUGGESTION

> INSTAGRAM OFFERS TO FOLLOW ALOT OF PEOPLE WHOM WE MIGHT NOT KNOW OR WHOM WE ARE NOT INTERESTED IN WHICH MIGHT IRRITATE THE USER

## DOES NOT WANT TIME TO BE WASTED

> DOES SHOW DAILY AVERAGE SPENT ON INSTAGRAM BUT OPTION TO ANALYSE IS QUITE HIDDEN AND PEOPLE MIGHT NOT CARE TO VIEW THEIR USAGE AS IT IS OUT OF SIGHT

# SOLUTION MAPPING

OVER THE NEXT FEW SLIDES I WOULD EXPLAIN MY DESIGN PROCESS AND THE SOLUTIONS WHICH I CAME UP WITH DURING MY RESEARCH

MEET **TED** - HE IS A STUDENT WHO IS NOT TECHNOLOGICALLY SOUND AND HAS NEVER USED A SOCIAL MEDIA PLATFORM. HIS FRIENDS SUGGESTED HIM TO JOIN INSTAGRAM SAYING IT WAS GREAT PLACE TO BE

LET'S SEE HOW HIS FIRST TIME EXPERIENCE GOES.....

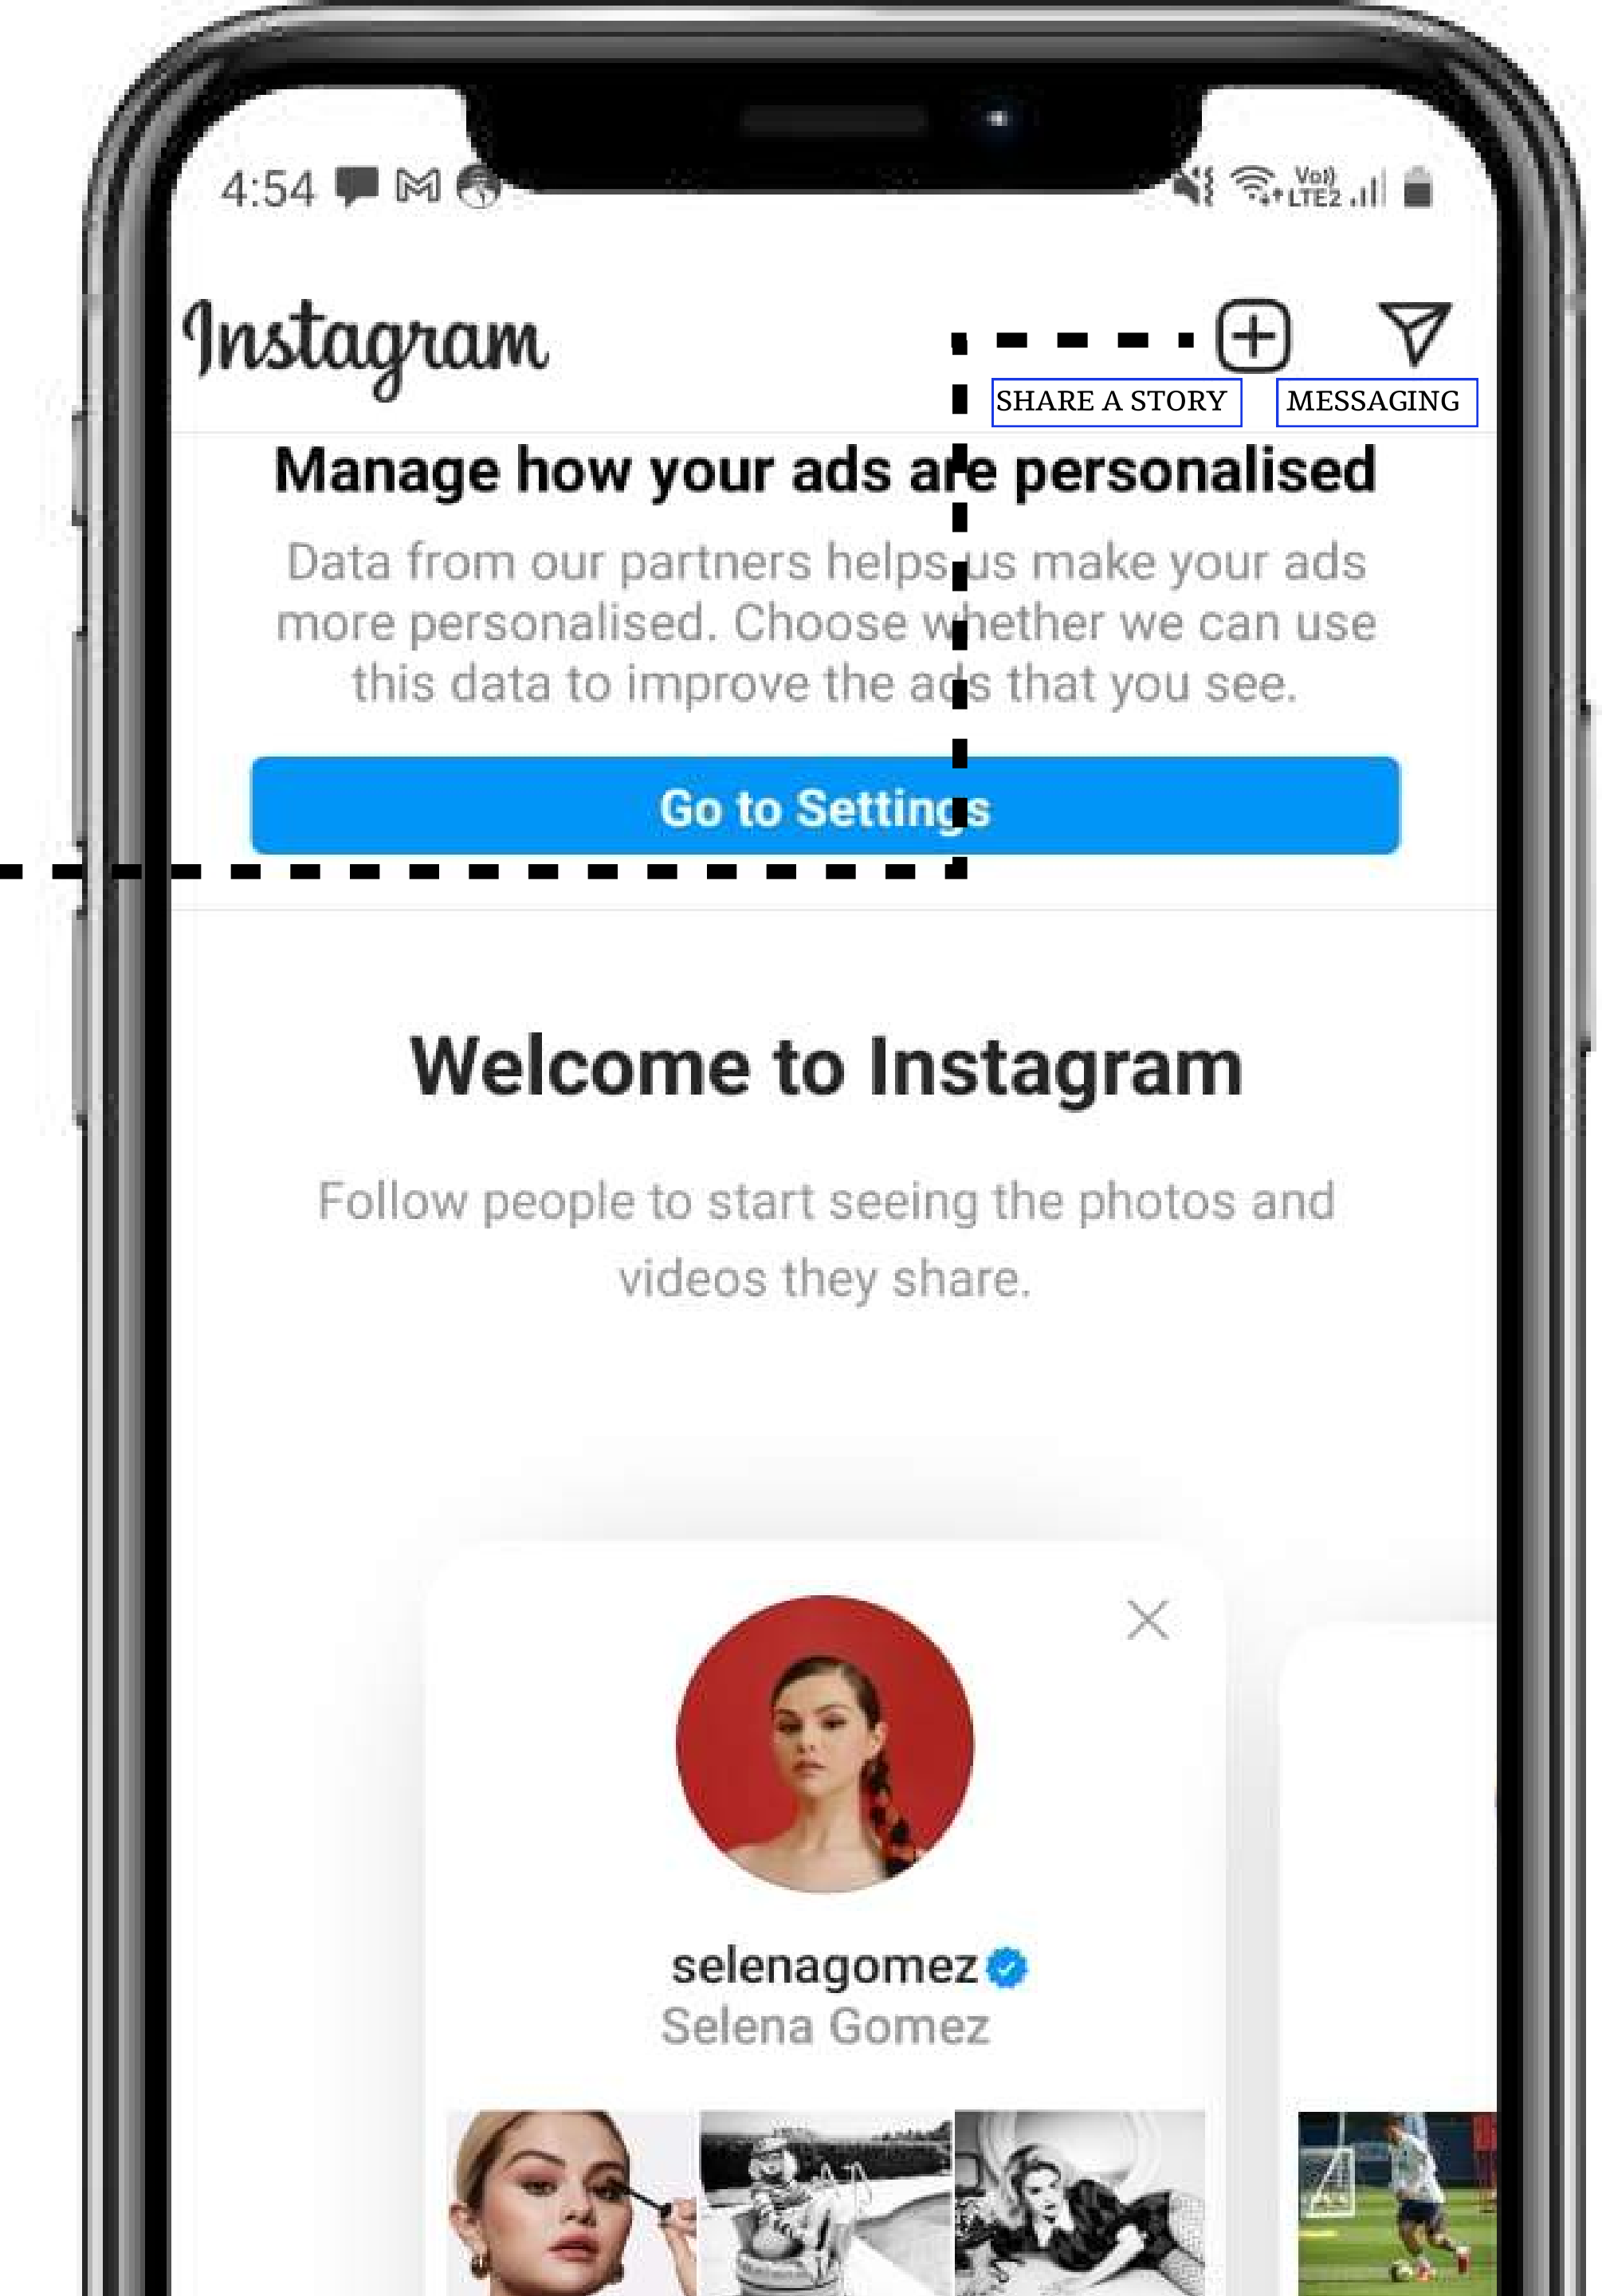

TED STARTS THE APPLICATION BUT IS NOT ABLE TO UNDERSTAND WHAT SOME ICONS MEAN .....

### # PROBLEM 1

NO BEGINNER TUTORIAL AVAILABLE FOR THE APP. A NEW USER MIGHT FEEL POWERLESS AND MIGHT NOT BE ABLE TO USE THE PLATFORM TO ITS FULLEST

BY PROMPT LABELLING (ONLY ONCE) WHAT EACH BUTTON MEANS IT WOULD :-

- 1) HELP THE USER TO UNDERSTAND THE FUNCTIONING OF THE APP BETTER
- 2) USER WOULD NOT FACE IN CONFUSION

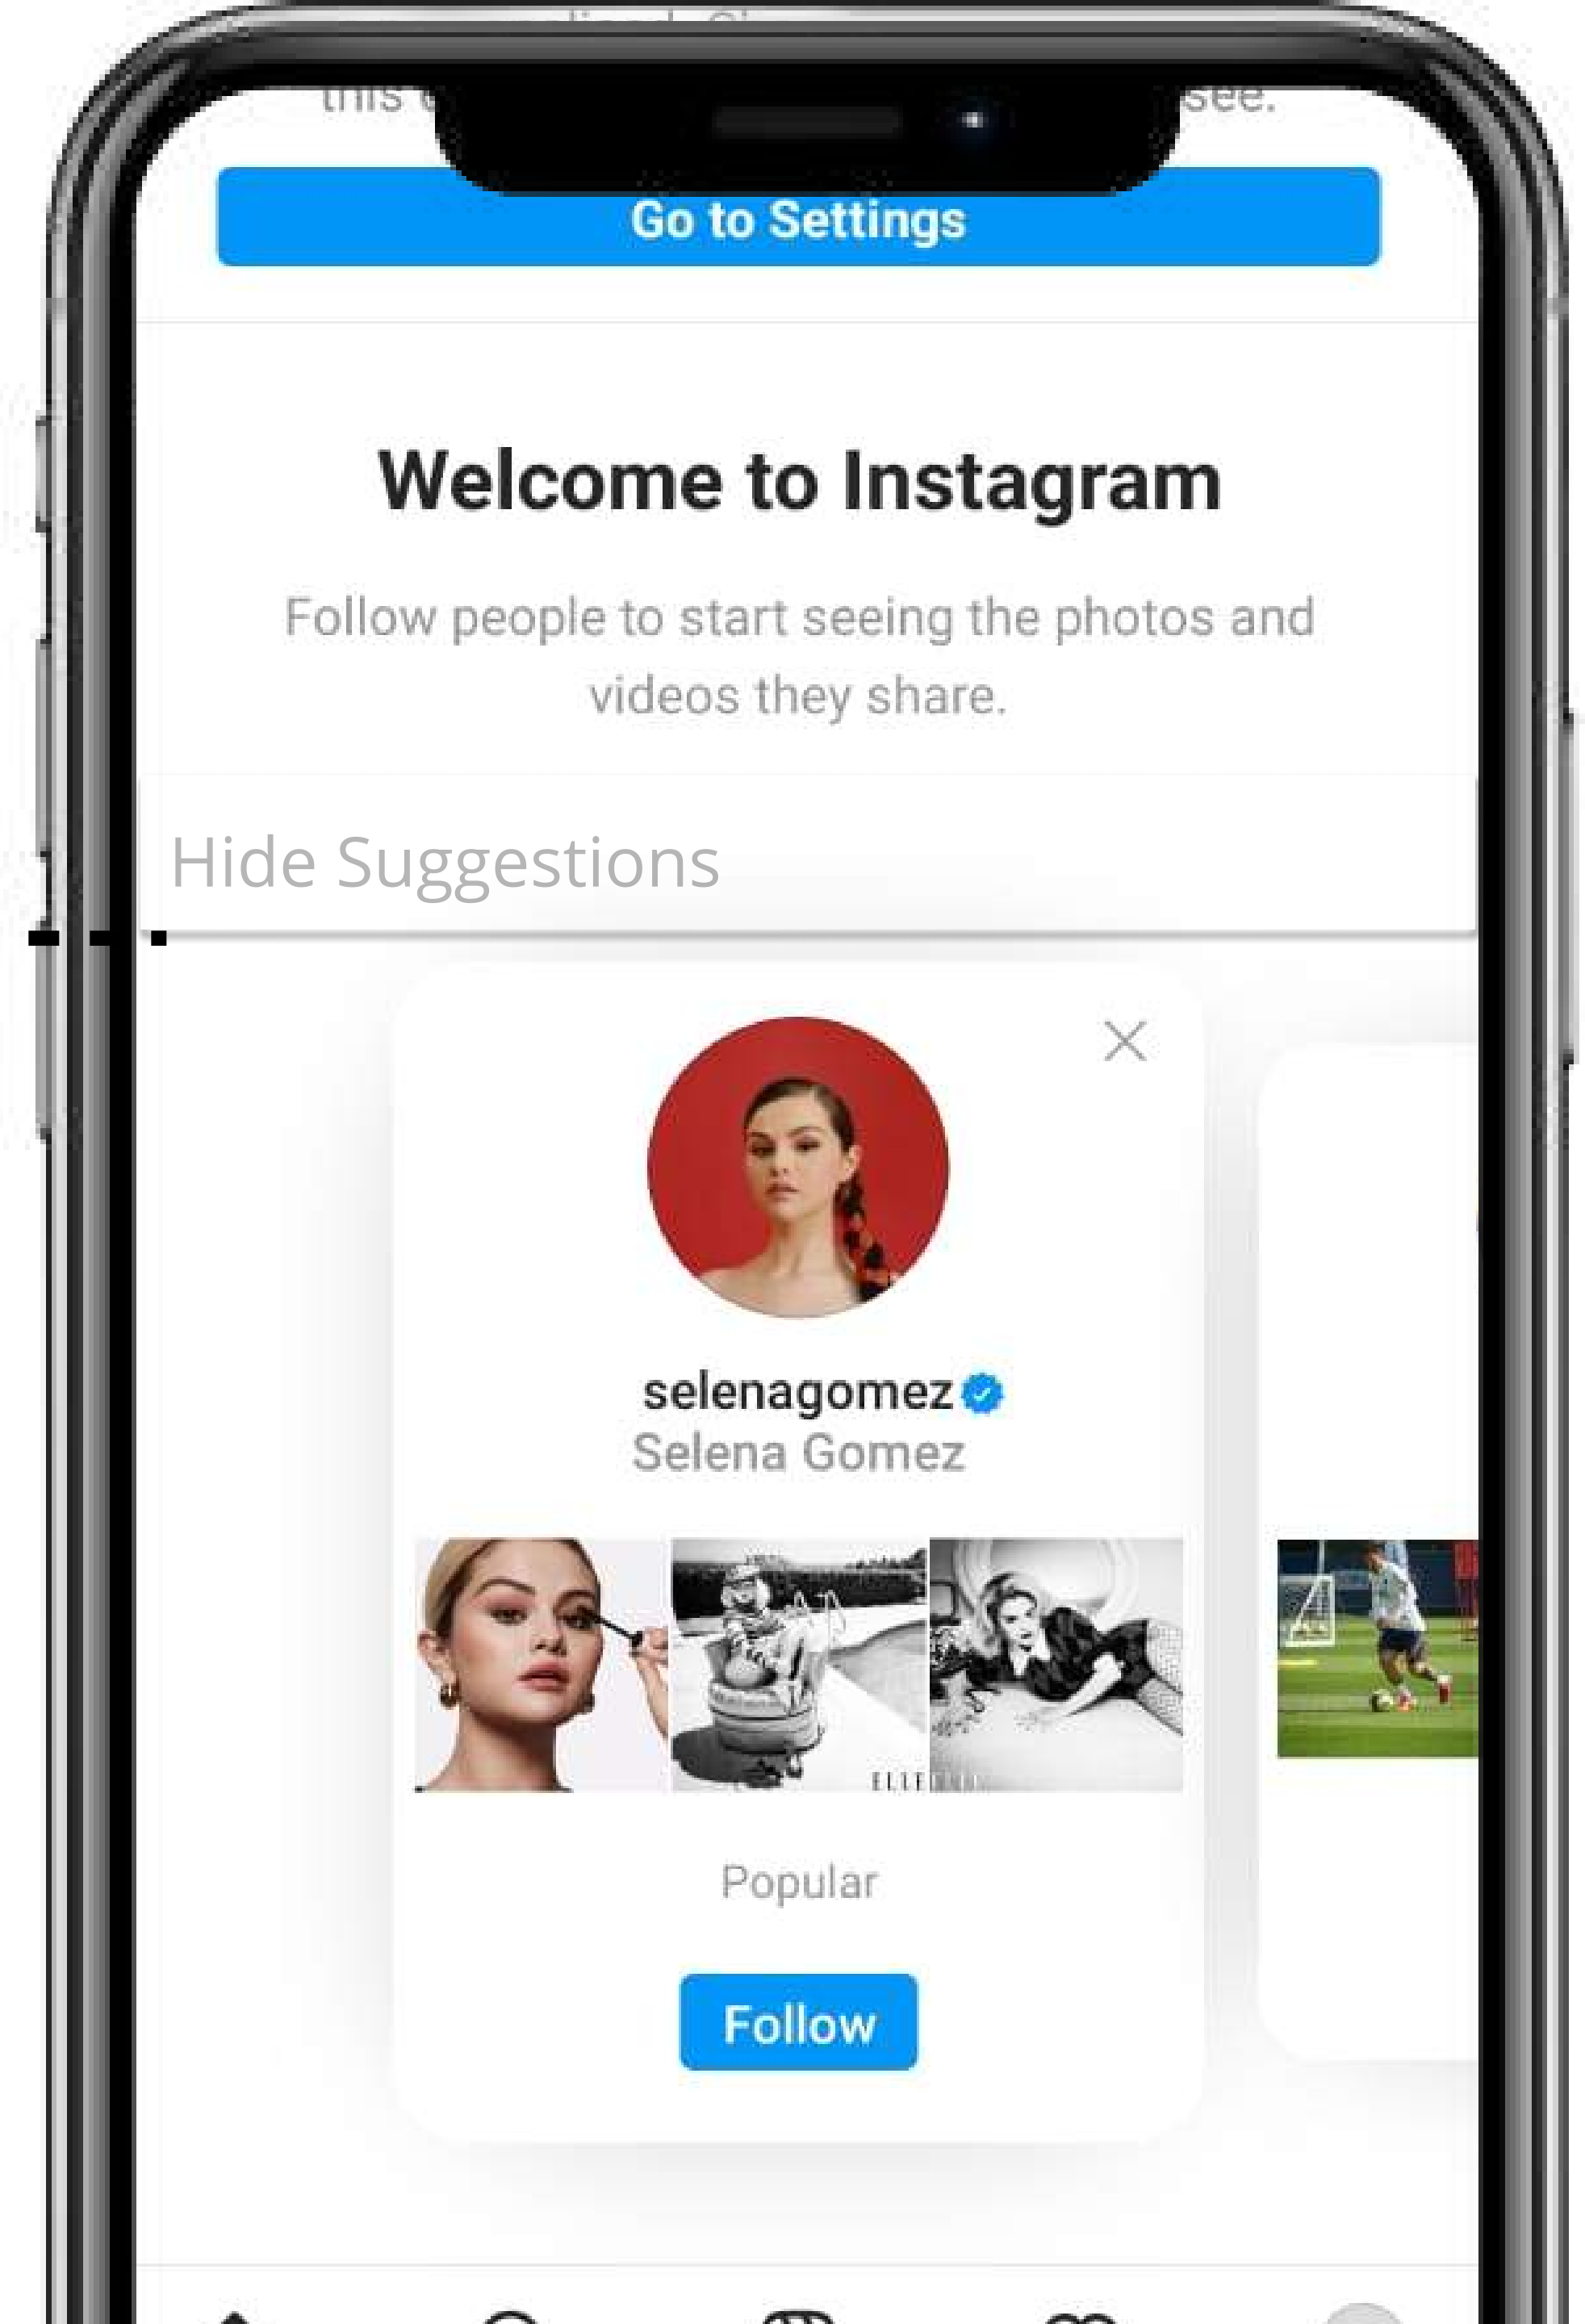

AS TED SCROLLS DOWN HE COMES ACROSS FEW PROFILE BUT HE IS NOT INTERESTED IN THEM .....

## # PROBLEM 2

INSTAGRAM OFFERS TO FOLLOW A LOT OF PEOPLE WHOM WE MIGHT NOT KNOW OR WHOM WE ARE NOT INTERESTED IN WHICH MIGHT IRRITATE THE USER

BY INTRODUCING THE FEATURE OF HIDING SUGGESTED OR POPULAR PROFILES THE USER MIGHT BE ABLE TO SEARCH RELEVANT PROFILE

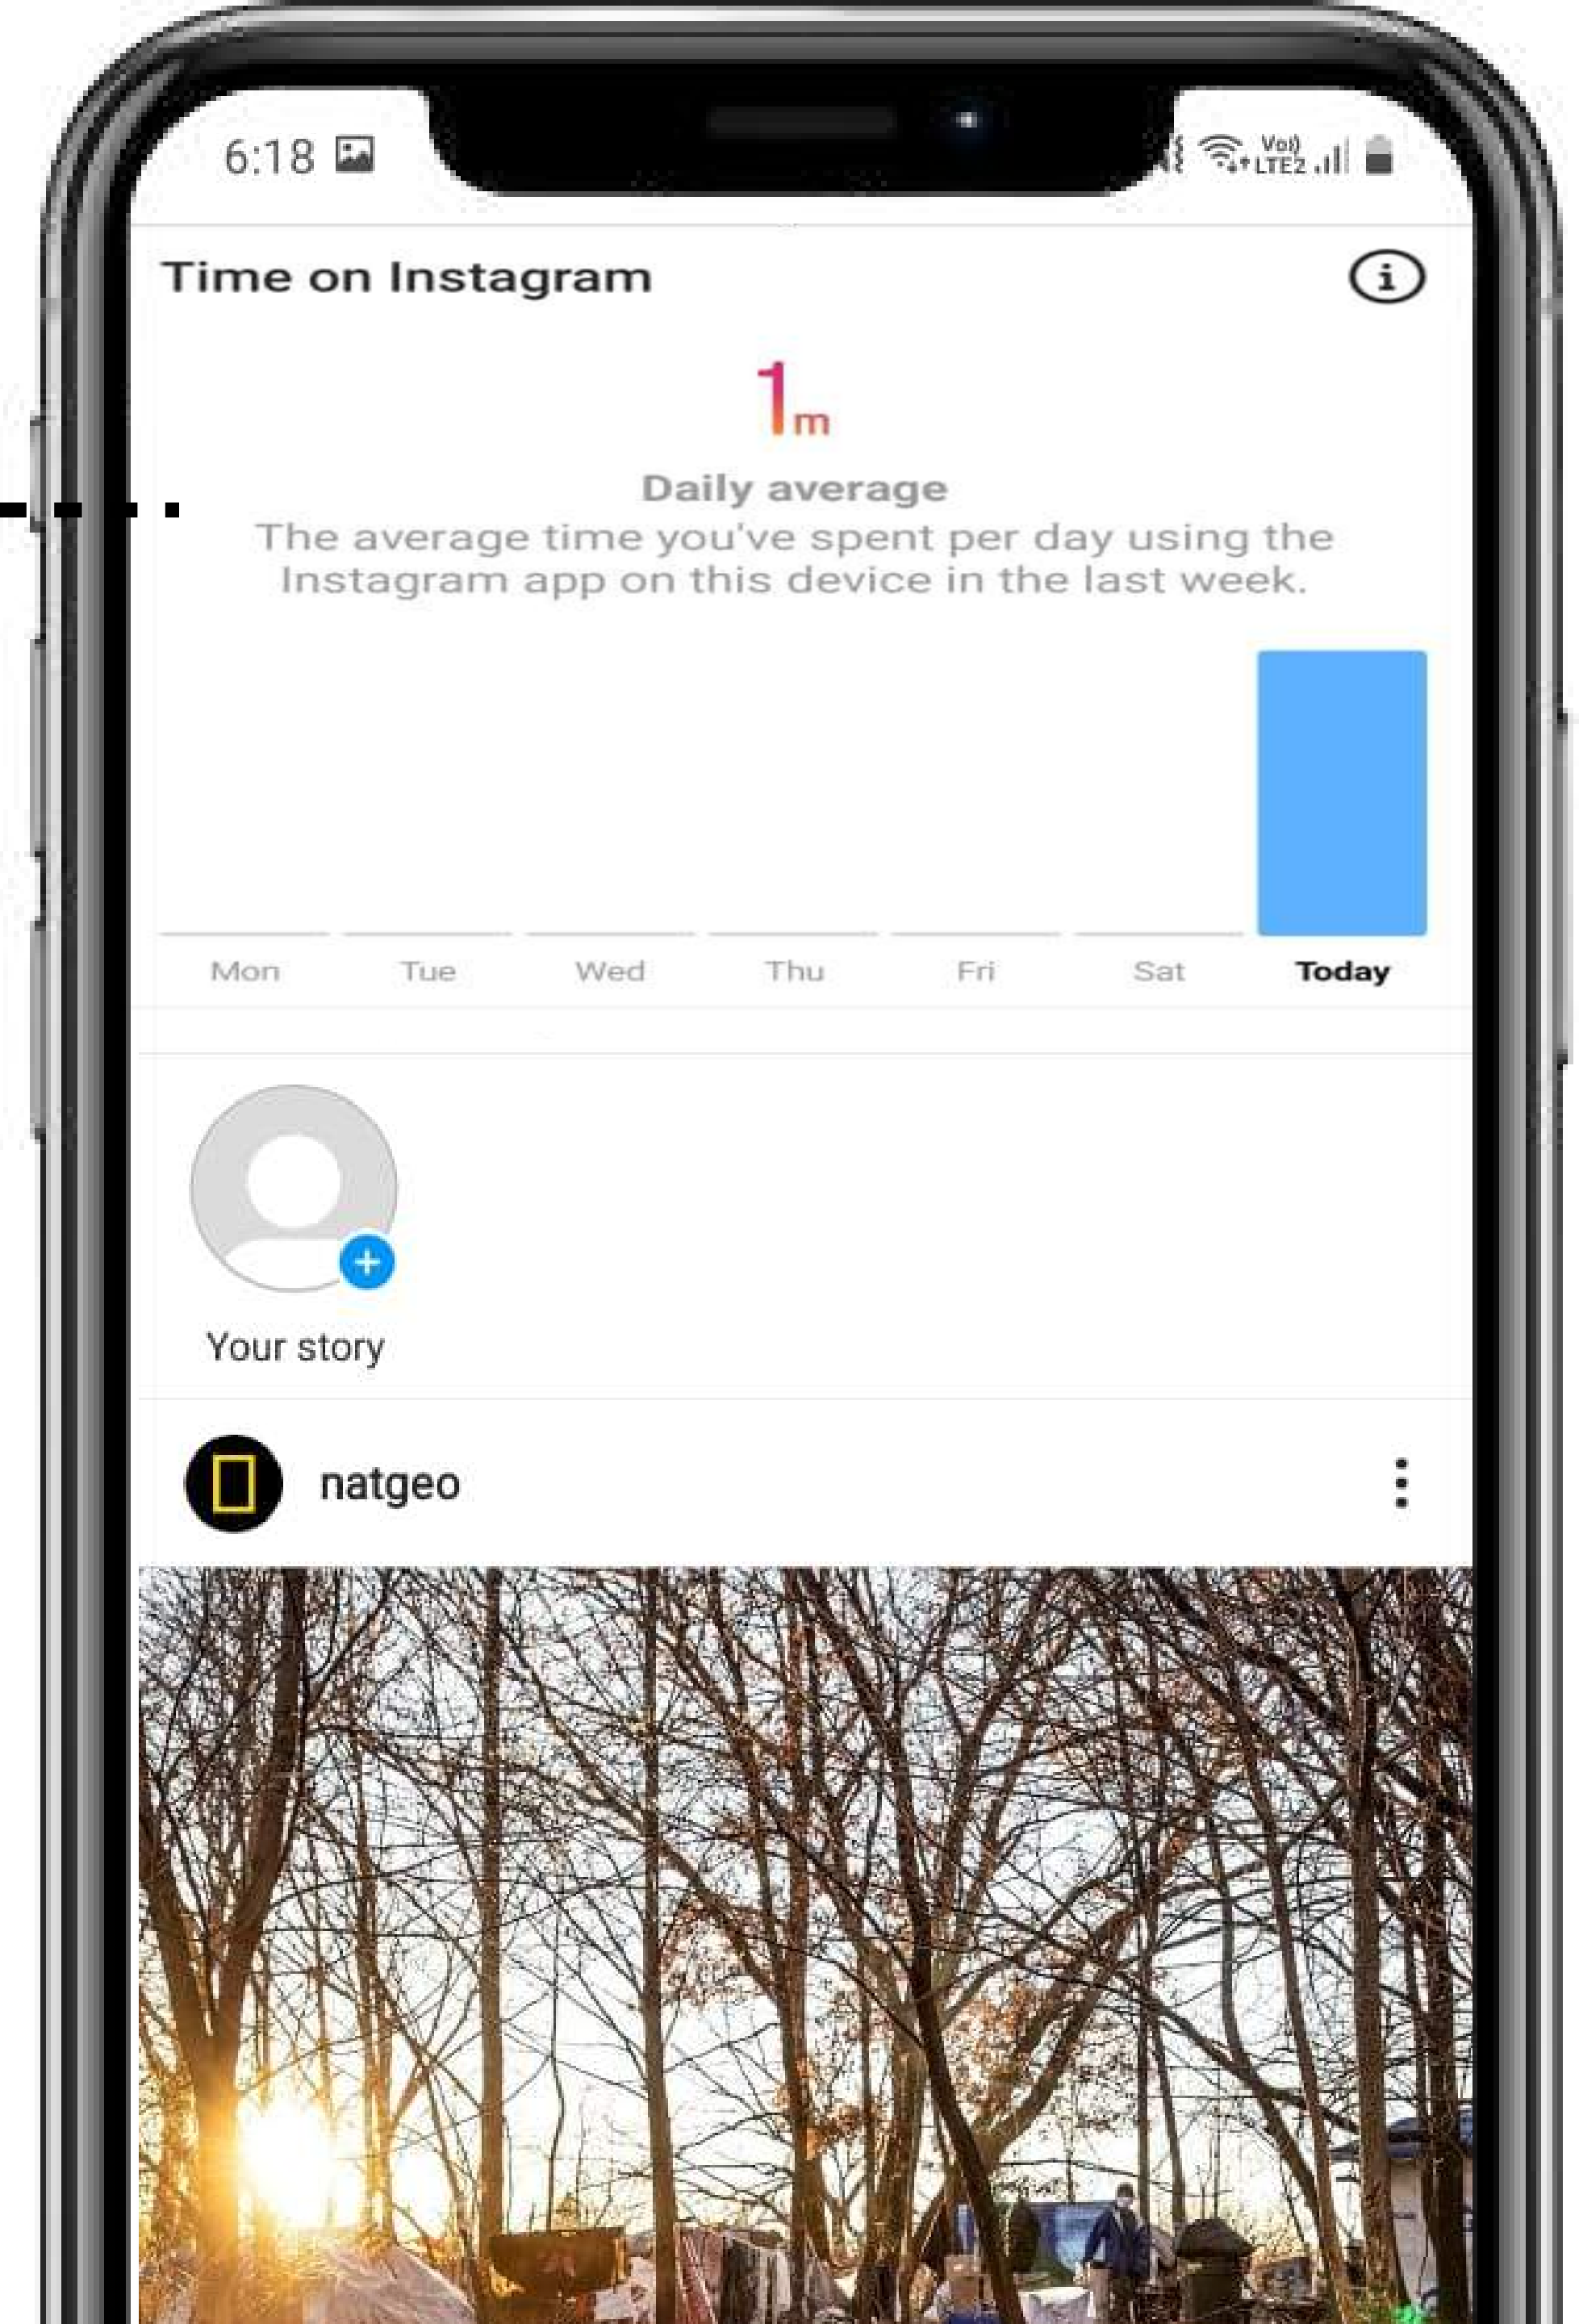

TED FEARS THAT IF HE IS TOO MUCH ENGROSSED  
HE MIGHT MISS ON ASSIGNMENTS .....

### # PROBLEM 3

DOES SHOW DAILY AVERAGE SPENT  
ON INSTAGRAM BUT OPTION TO  
ANALYSE IS QUITE HIDDEN AND  
PEOPLE MIGHT NOT CARE TO VIEW  
THEIR USAGE AS IT IS OUT OF SIGHT

DISPALYING TIME SPENT AND  
SETTING DAILY REMINDER ON  
HOME SCREEN HELPS TO MONITOR  
DAILY USER USAGE EASILY

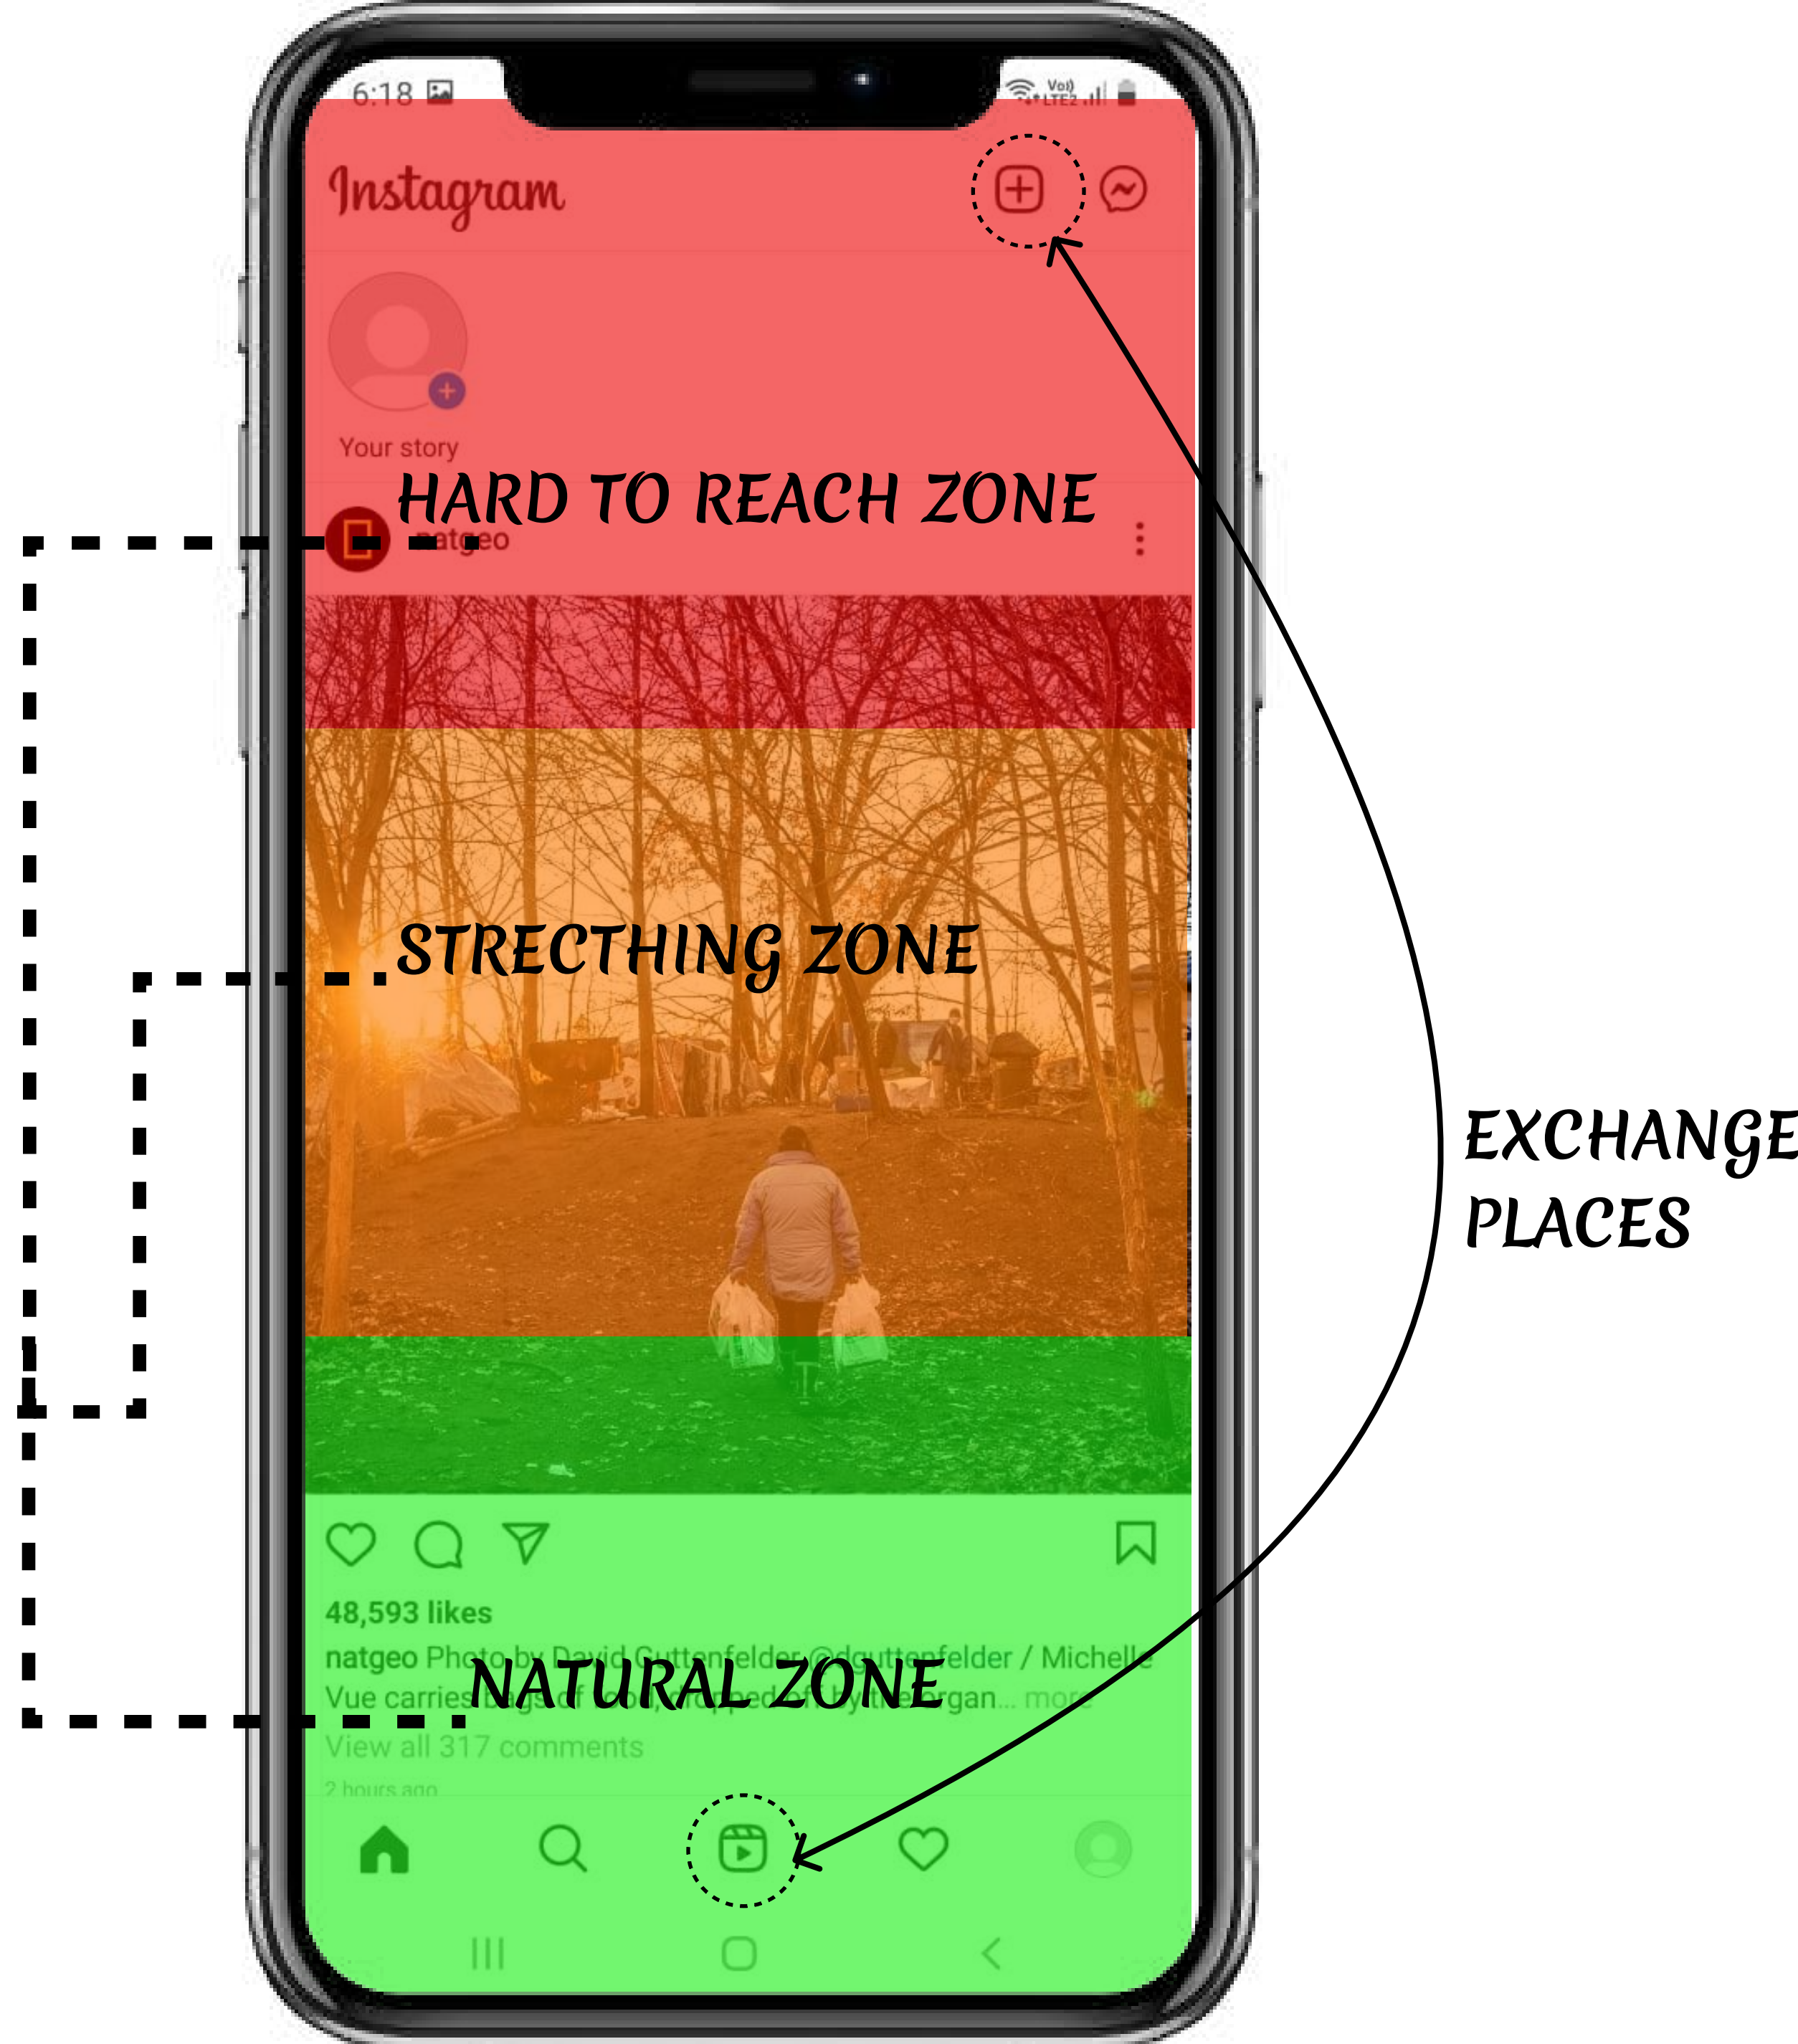

WHILE ADDING A NEW STORY TED IS FACING ISSUES IN BECAUSE HE FEELS THAT THE BUTTON IS QUITE FAR FORM HIS REACH .....

# PROBLEM 4

NEW STORY BUTTON IS ON TOP AND AND ITS POSITION IS UNCOMFORTABLE BECAAUSE FOR OUR THUMBS IT LIES IN HARD TO REACH ZONE AND PEOPLE WOULD HAVE TO STRECTH THEIR FINGERS.

RELOCATION OF NEW STORY BOTTON IN THE BOTTOM REGION WOULD PROVE TO BE BENEFICIAL

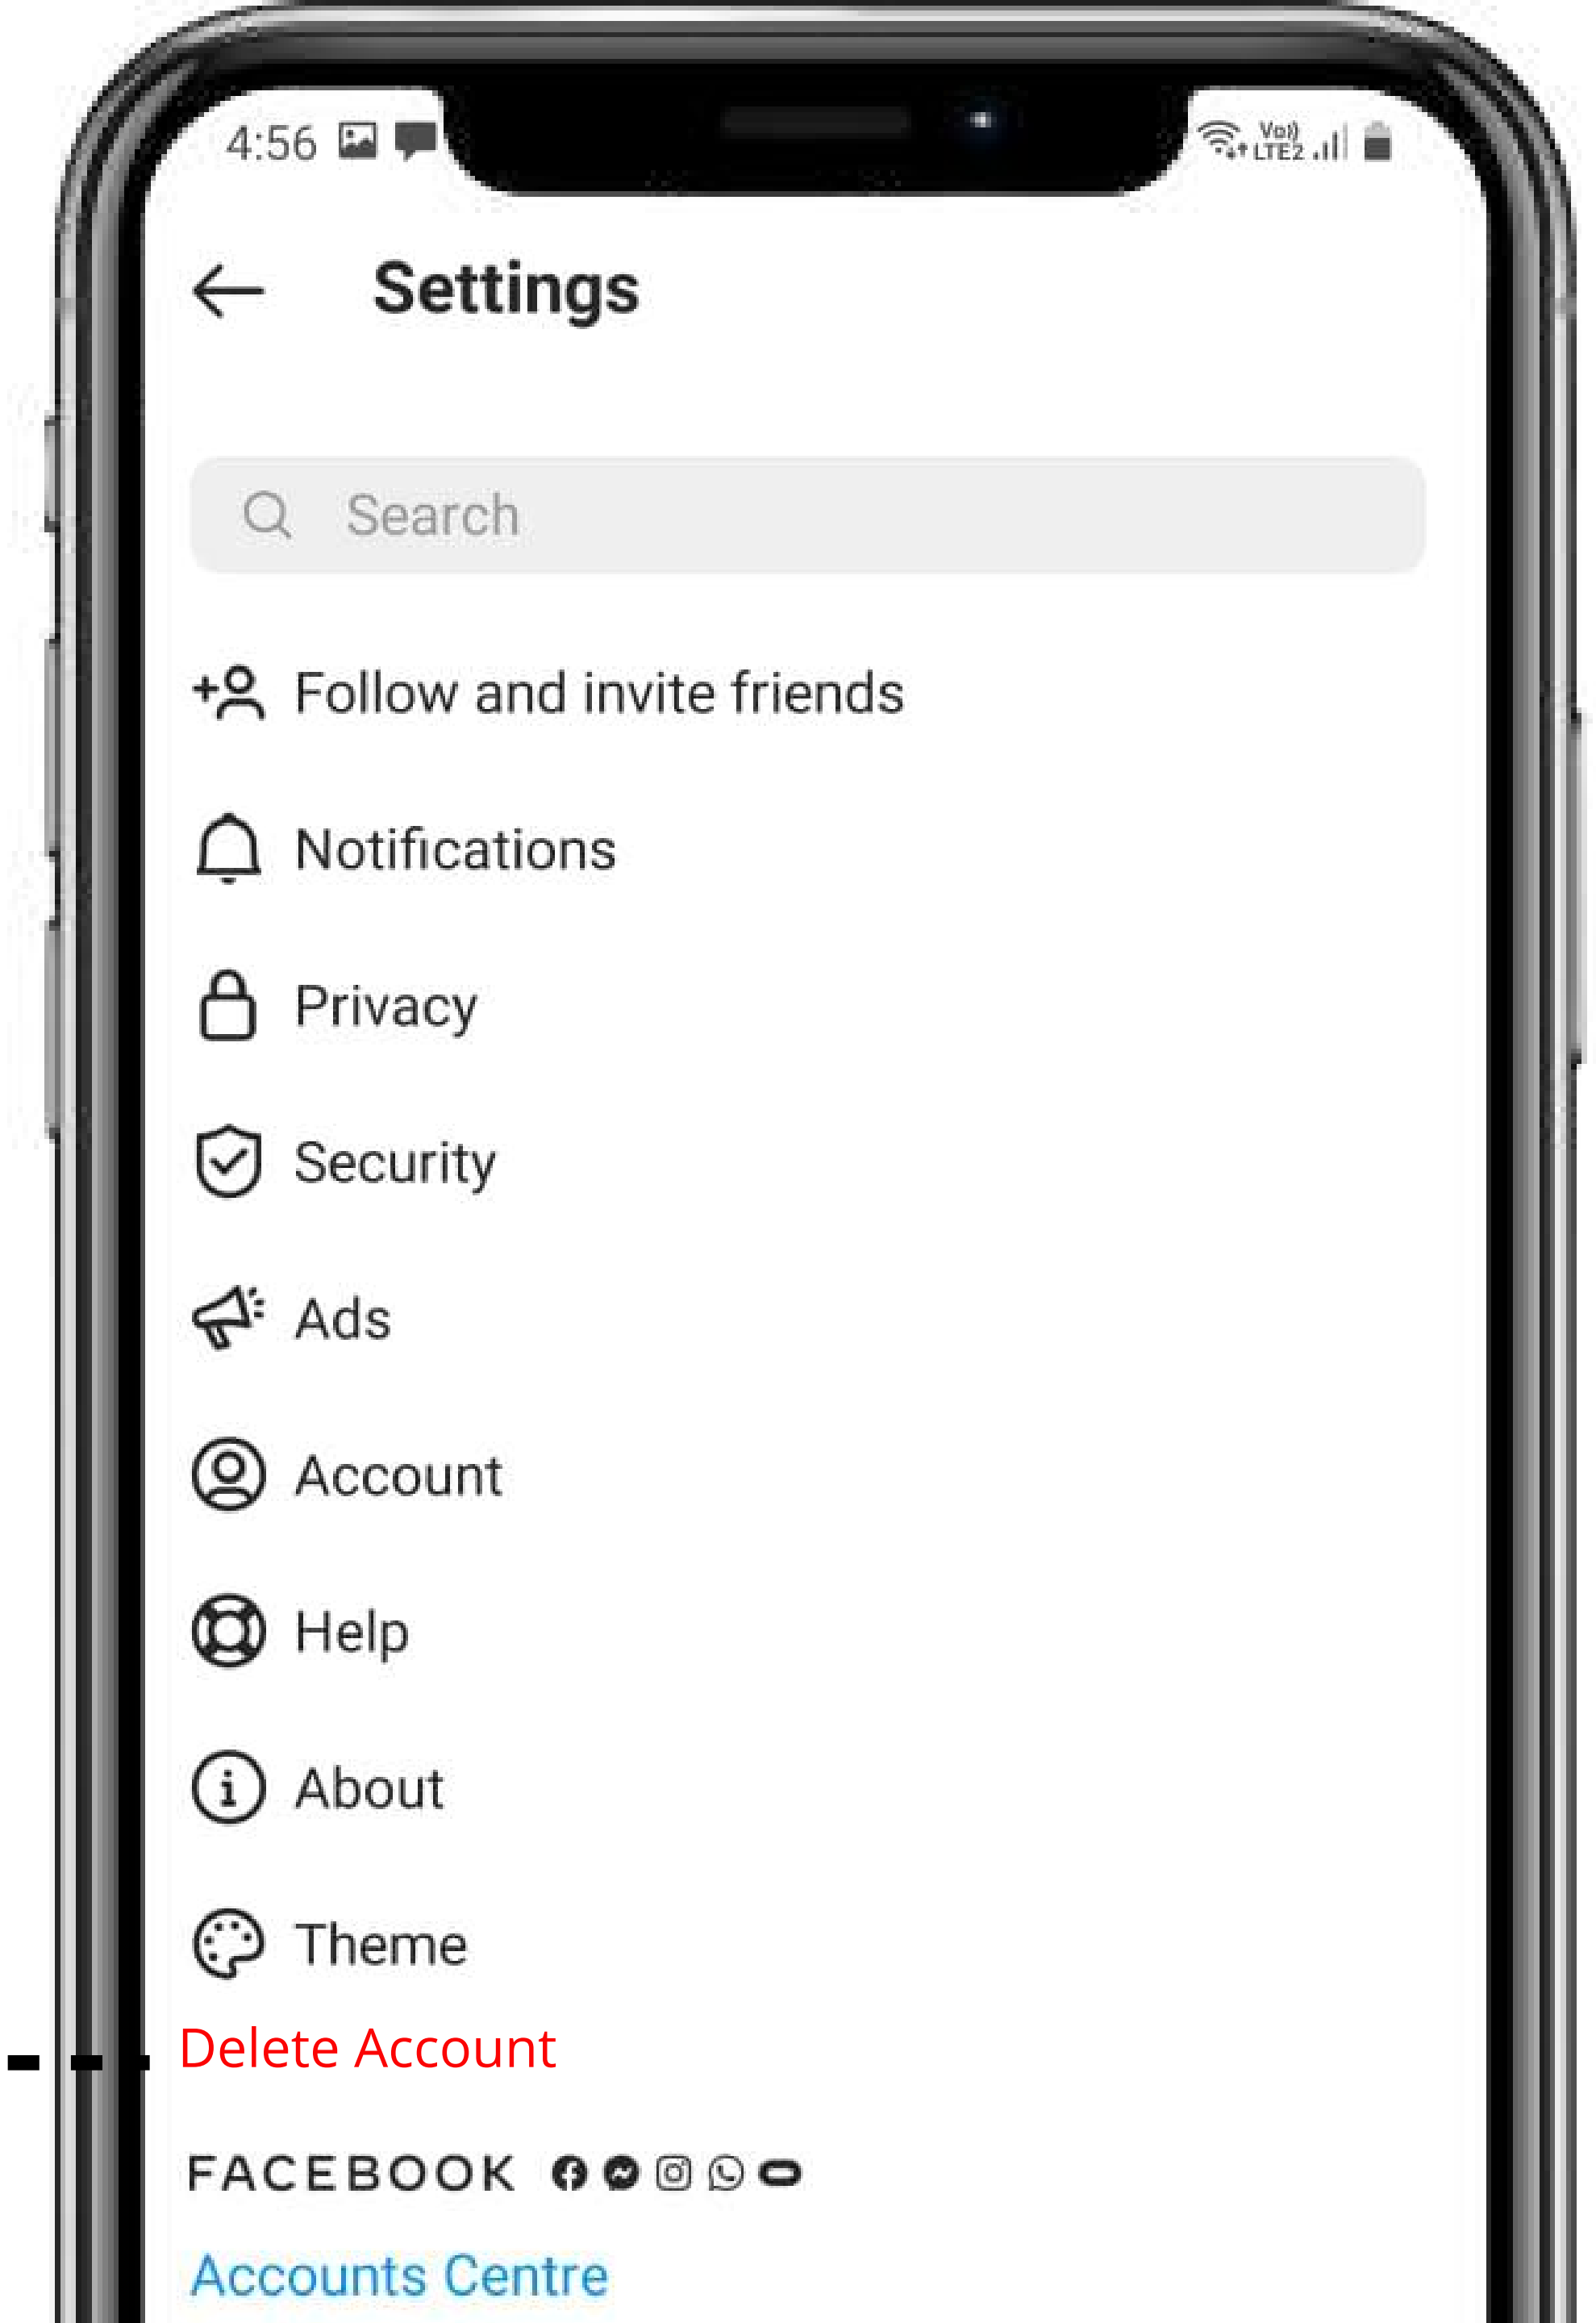

TED ACCIDENTALLY MADE TWO ACCOUNTS AND WANTS TO DELETE ONE BUT .....

### # PROBLEM 5

NO PROVISION OF DELETING ACCOUNT FROM MOBILE APP. USER HAS TO LOG IN FROM A COMPUTER TO DELETE ACCOUNT.

BY INTRODUCING THE FEATURE OF DELETING PROFILE IN THE USER SETTINGS PANEL WOULD EASE THE PROCESS.

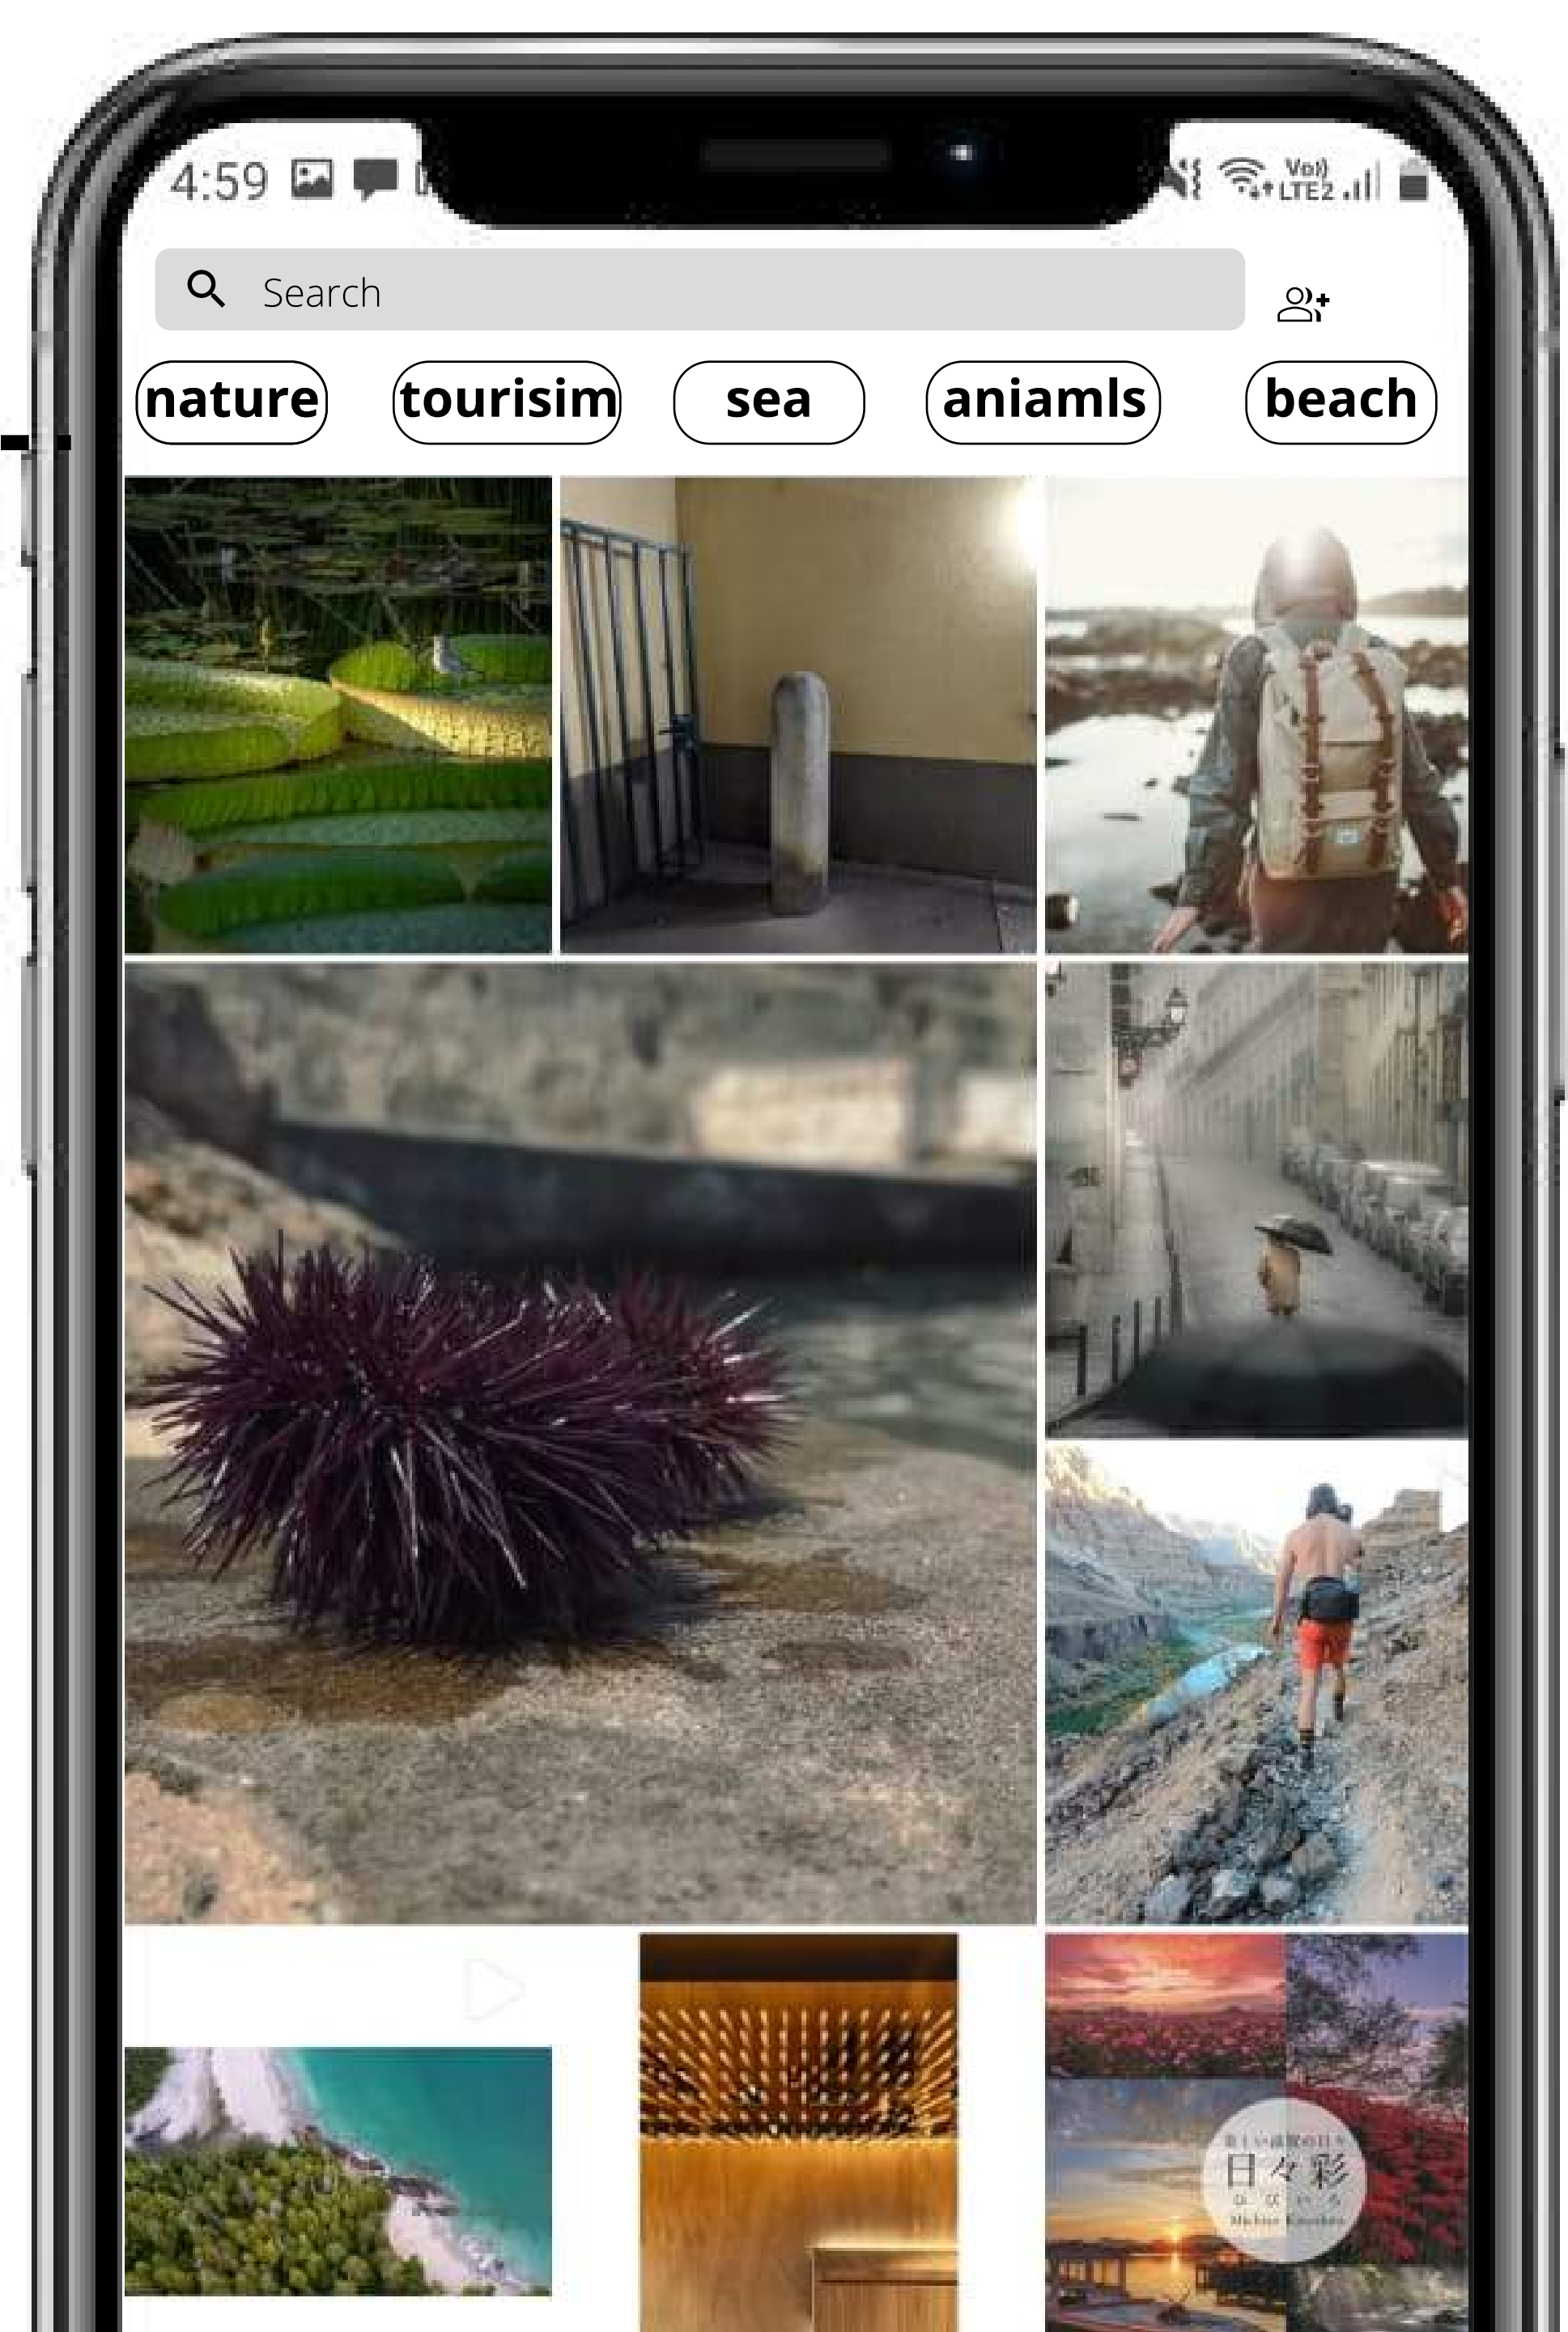

TED GOES TO SEARCH ABOUT A PARTICULAR TREND  
BUT FINDS A WHOLE HEAP OF OPTIONS .....

## # PROBLEM 6

INSTAGRAM DOES NOT FILTER  
CONTENTS ACCORDING TO USER  
CHOICE. USER HAS TO EXPLORE  
THROUGH ENTIRE CONTENT TO FIND  
HIS/HER INTERSEST

BY INTRODUCING THE FEATURE OF  
SMART FILTERS OF TRENDS IT WOULD  
REDUCE THE EFFORT OF GOING  
THROUGH HEAP

TED 'S FIRST EXPEIRNECE WAS GREAT AND HE  
TOO LOVES THE PLATFORM  
ALSO HAS SHOVE OFF HIS FEAR OF  
TECHNOLOGY

THANKS FOR  
READING !
